

1. Get Started

Call us at 920-475-5313 or go to www.happydoodler.com/website-design, choose your web design package, click on the "get started" button and submit your questionnaire.

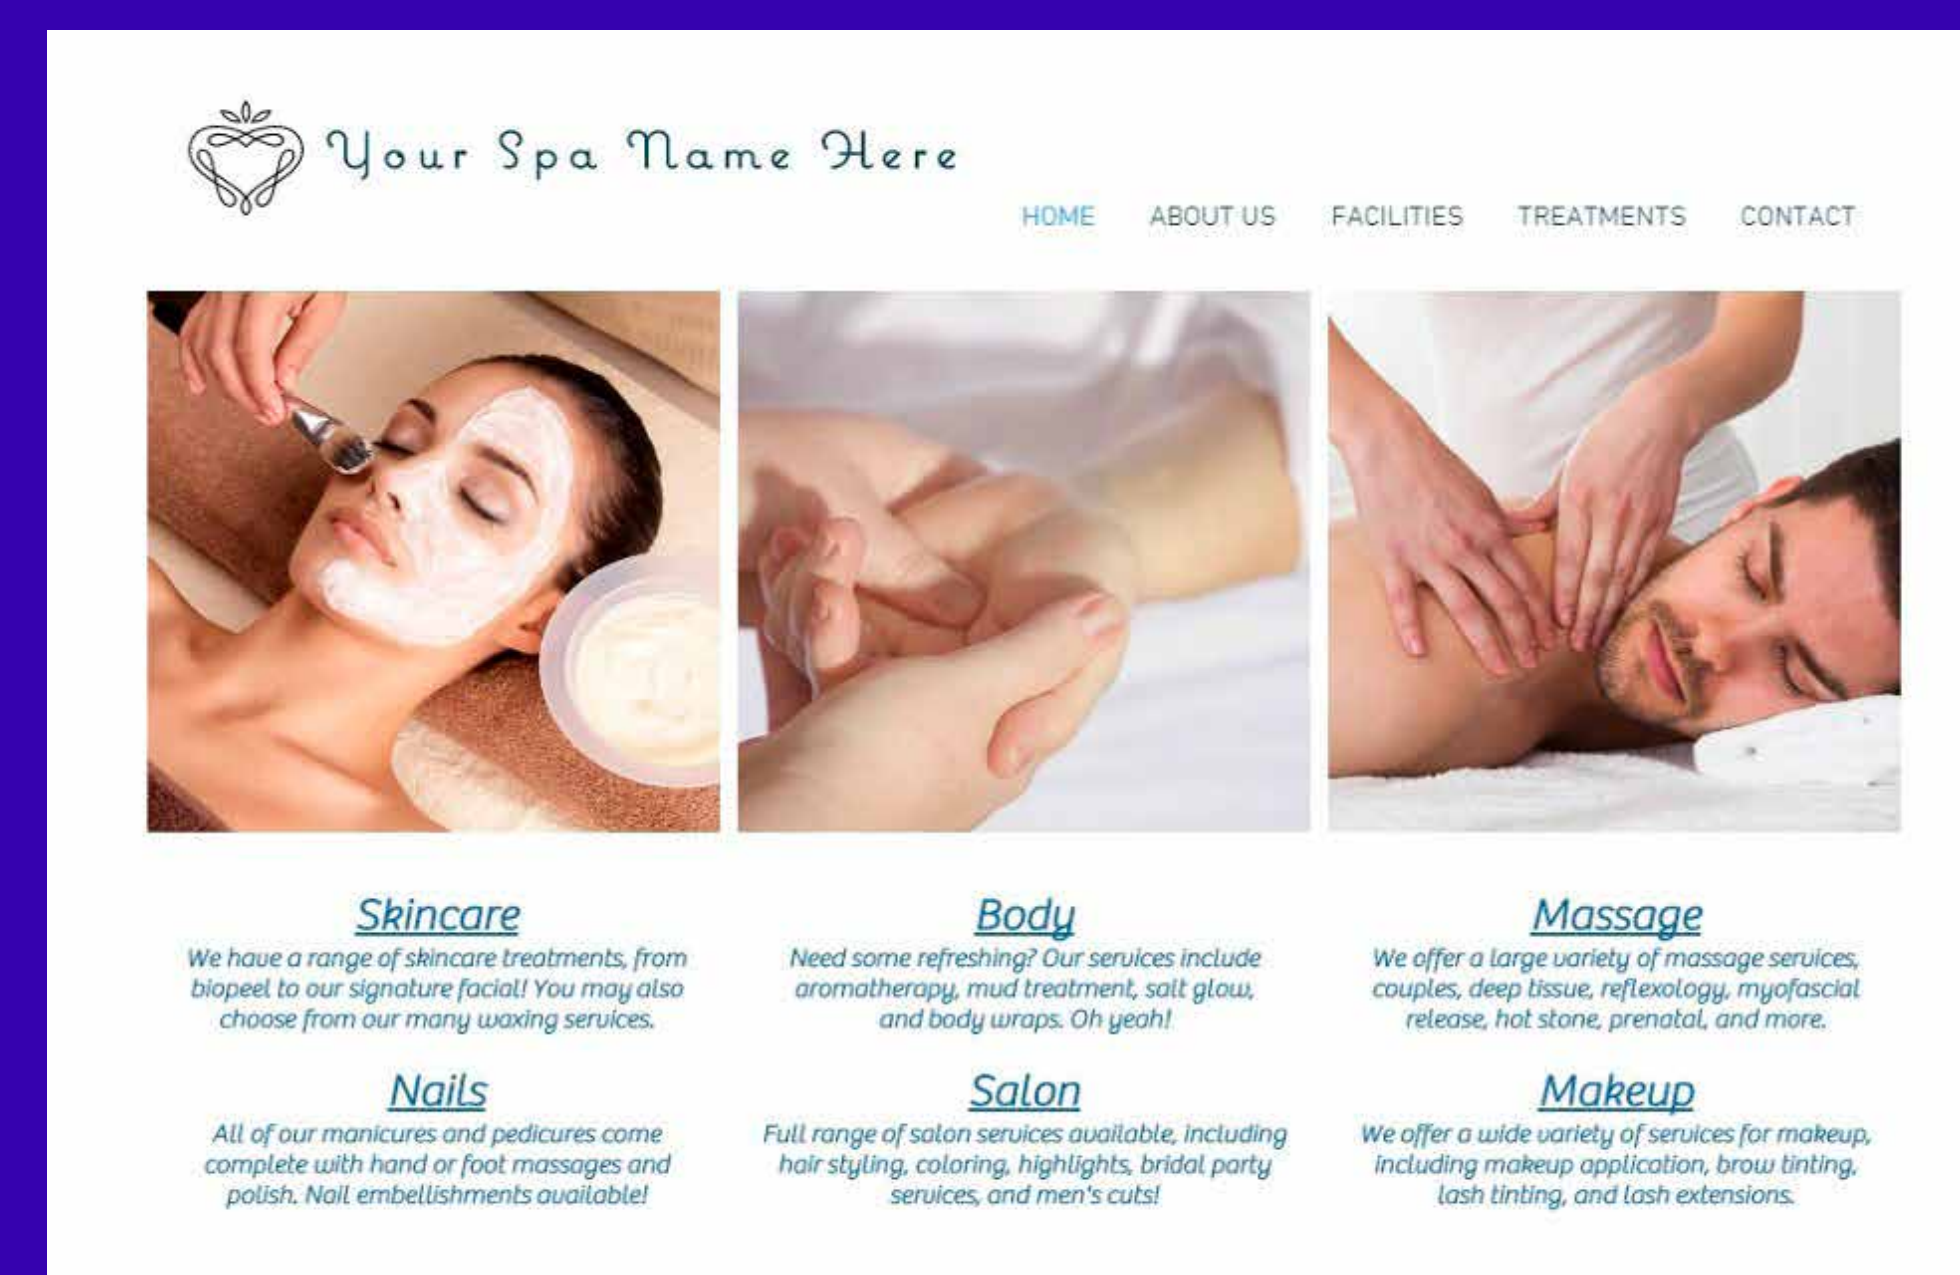

2. Sign

Happy Doodler will customize your contract and send it by email for your approval. Sign and submit with deposit, and we'll get started designing your custom site!

3. Choose

Your Custom Design

Happy Doodler will create 2-3 custom home page designs for you to choose from, plus include modifications on your favorite.

4. Expand

With Subpages

Happy Doodler will create, and include modifications for, multiple subpages coordinating with your home page design.

5. Approve

Meet with Happy Doodler for final review, modifications and approval.

6. Go Live!

Happy Doodler will help you connect your website design to your existing domain host, or if you'd like, we'll set up or transfer your domain to our preferred hosting provider.
